Terms and conditions applicable for above mentioned Registered companies are as follows

1. The registration is valid for the years 2014-15, 2015-16 and 2016-17 subject to satisfactory verification of their office, personnel, pricing, go-down, material & other infrastructure at any time without prior notice. However this registration shall be renewed each financial year subject to performance of the company.
2. A Departmental Committee may conduct random surprise visits on the premises of approved firms'/dealer's offices in the state and the defaulting dealers/firms may be black listed.
3. Payment of subsidy for MI works shall be made only either to the beneficiary farmer or to the Company and no payment shall be made to any dealer.
4. Company must have atleast 1 service station point, with trained technician, agronomist and spare parts available in their working area comprising of maximum 5 districts;
5. The registration can be withdrawn/cancelled at any stage without serving any prior notice.
6. The company will have to submit bank guarantee worth Rs. 5.00 lacs to the department within 2 months from the date of issue of this letter, which will be released after successful performance during three years. Firms will submit satisfactory performance certificate after sale & service duly signed by concerned farmer and countersigned by DSCO concerned. The registration of firm/firms stands cancelled on non submission of the requisite bank guarantee during the time period mentioned.
7. The company must have or shall have to create good infrastructure and man power in the state for the execution and maintenance of projects.
8.
 - i. The company shall provide 3 years Performance guarantee in writing to the beneficiary.
 - ii. The company will provide 3 free services (cleaning & flushing within a period of 3 years).
 - iii. Shall respond to complaint from the beneficiary within 24 hours.
 - iv. Shall replace any defective part free of cost & rectify the fault within the guarantee period.
 - v. The company will supply the component wise rate list approved by the department on demand of the beneficiaries.
9. The company shall supply BIS components only as per list of BIS standard given on guidelines of GOI at page 67.
10. The complete accessories supplied/installed by the companies shall be necessarily BIS marked.
11. The company supplying imported components should have the prior approval of DAC.
12. The company shall take the responsibility in case of any dispute arising from the supply of their product through their distributor or dealers.
13. All estimates shall be prepared and signed by the engineers of the company.
14. Company shall authenticate the invoices and should be signed by their representatives.
15. In case of supply of system through authorized distributors/dealer, prior registration of that distributors/dealer with department is mandatory.
16. The company shall intimate the infrastructure and availability of manpower with their complete addresses & jurisdiction.
17. Company must have qualified engineers for estimation, technical & agronomical guidance to the farmers.
18. The company should supply and install same brand of equipment which they have offered during registration process as per guidelines of GOI.
19. All disputes will be settled within the jurisdiction of courts at Chandigarh.
20. The registered company shall follow the GOI Guidelines of Centrally Sponsored Scheme on Micro Irrigation in letter and spirit as well as the instructions issued by GOI/State Government from time to time.
21. In case the volume of work done by the registered company is below Rs. 10.00 lacs during the current financial year, the company shall be ineligible for renewal during the next financial year.
